

SATURDAY PLAYGROUP

November 7, 2008

Dear Families,

Our sembreak play group was a huge success! Our 21st century children were re-introduced to play in its most basic form, stripped off modern technology and commercialism but ruled by imagination!

Due to the success of this program, we are making the **Explorations Play Group** an official school program. **It will be held every Saturday, from 9:00 am to 12:00 nn. The fee is P3,000.00 for five Saturdays. The first block of Saturdays is November 15, 22, 29, and December 6 and 13. The playgroup is open to Nursery, Junior Kinder and Senior Kinder children.**

As we described before, the aim of the game is to re-introduce kids the sort of fun older generations used to have, before stranger danger, traffic and technology had taken over playtime! There will be street games (not on the street of course), messy play, creative play, art, storytelling and general fun, using as little equipment and as much imagination as possible.

If you are interested to send your kids to the Play Group, please get in touch with **Teacher Marissa Esguerra** at the office. We hope to see them there!
