April 7 to May 13
(5 weeks excluding Holy Week)
Thursdays and Fridays

1:30 - 3:00 pm
Fee: P 5,000.00

Children are natural builders and are most engaged when they are using their hands and minds to create and play. The Builders Class will harness this passion to enhance the children's mathematical skills such as critical thinking, problem solving and reasoning as well as concepts in geometry and numeracy. Each session, the children will plan, collaborate and construct with their peers like budding architects and engineers working together on various projects. They will have a room full of wooden blocks of various shapes and sizes, boxes and other construction toys and props which they will use to build elaborate scenes or come up with their own unique games.

Bookworm

age cut off: 1 April 2011
April 7 to May 13
(5 weeks excluding Holy Week)
Thursdays and Fridays
11:30 - 12:30 nn
Fee: P 4,200.00

Book lovers will take part in various literacy oriented activities. They will listen carefully to selected stories and follow up with fun movement, science, math or art based activities. Furthermore, participants will dramatize, make puppets or film their versions of their favorite stories. Bookworm participants will also have the privilege of borrowing books from the Explorations Preschool library.

Animal Lovers Camp

3 - 6 years old
age cut off: 1 April 2011
April 7 to May 13
(5 weeks excluding Holy Week)
Thursdays and Fridays
11:30 - 12:30 am
Fee: P 4,200.00

Let your kids embark on a journey to better understand and appreciate animals. The theme of the course is "Be Kind to Animals." This is meant to give children a better understanding about the behavior of dogs, turtles, hamsters and rabbits. We aim to dispel the fear and anti-animal sentiments that may have been instilled in children. They will also learn how to feed and care for these animals daily. There will be fun activities followed by hands-on experiences with the animals. (All pets that will be involved in this program are fully vaccinated.)

REGULAR PROGRAMS

Toddler & Preschool

April 4 to May 11
(5 weeks excluding Holy Week)
Mondays, Tuesdays & Wednesdays
Fee: P 8,500.00
Age cut off: 1 April 2011

Our regular Toddler and Preschool Programs are fun and challenging. They introduce children to classroom routines as well as developmentally appropriate academic skills which are integrated into theme investigation, play, cooking, art, science, music, literacy and math activities. The program is also an ideal introduction for children who are coming to school for the first time.

Age Cut Off: 1 April 2011

April 4 to May 11
(5 weeks excluding Holy Week)
Mondays, Tuesdays and Wednesdays
9:30 - 11:30 pm Fee: P 9,000

The Preschool Chinese Class is a language immersion class where Mandarin will be used as the teaching tool. The children's work time, circle, snacks, active group play and story periods will be conducted in Mandarin, fully surrounding or immersing them in the language. To enrich their appreciation and knowledge of their own unique culture, they will tackle some aspects of Chinese Filipino life such as food, family traditions and games as their theme throughout the summer.

Young Dancers

age cut off: 1 April 2011
3 - 6 years old

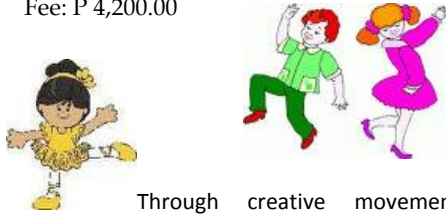

(5 weeks excluding Holy Week)

April 7 to May 13

Thursdays and Fridays

9:00 - 10:00 am

Fee: P 4,200.00

Through creative movement activities, the children will interpret a wide range of genre in the likes of ballet, jazz and modern dance. As they learn elements of dance and music, it is also a wonderful way for young children to gain strength, coordination, improve flexibility and stay fit. In the dance class they will be cognitively challenged in different ways, as they learn to put steps into a sequence and remember routines. Interacting with other children in this fun environment will also help develop their social skills and greatly improve their confidence. It is also an excellent activity for energetic children as it channels their energy in a positive way and teaches them to focus and cooperate with others.

April 7 to May 13

(5 weeks excluding Holy Week)

Thursdays and Fridays

8:30 - 11:30 am

Fee: P 5,800.00

Learning has been proven to be the best way children can understand their world. As they go on fun trips, reflect on their experience and relate it to their lives, they learn analytical, observation, decision-making & problem solving skills along with relevant knowledge about different places. Your child will journey around Metro Manila visiting various historical, cultural, scientific and even culinary venues. Some possible places to visit are science discovery centers, zoos, museums, restaurants and other special interest spots such as private stables or airplane hangars. To reinforce their learning, follow up math, science, art and literacy activities will be conducted before or after the trips.

Chefs on Parade

age cut off: 1 April 2011

April 7 to May 13

(5 weeks excluding Holy Week)

Thursdays and Fridays

9:00 - 10:30 am

Fee: P 5,800.00

Little chefs learn to whip up both healthy and occasionally not so healthy recipes. As they cook and bake, kids use science observation skills and are introduced to early reading as well as counting skills. Best of all, they get to bring home their kiddy cuisine for the whole family to sample.

Young Actor's Studio

3 - 6 years old
age cut off: 1 April 2011

April 7 to May 13

(5 weeks excluding Holy Week)

Thursdays and Fridays

10:30 - 11:30 am

Fee: P 4,200.00

This fun class is a great introduction to the magic of theatre. The young actor explores acting through story telling, exercises, improvisation, as well as voice and movement. This is a wonderful class to build the younger actor's self esteem by helping them become more aware of their bodies and encouraging them to trust their own unique imagination.

Young Writer's Workshop

4 - 6 years old

age cut off: 1 April 2011

April 7 to May 13

(5 weeks excluding Holy Week)

Thursdays and Fridays

10:30 - 11:30 am

Fee: P 4,200.00

The Young Writers Workshops offer a supportive environment where young children engage in writing stories, poetry, essays, and short plays. A well-rounded program of reading, dictation, journaling, and independent writing helps young children discover what it means to be a real writer. Drama and art also extend their understanding of the written word. Basic skills (such as letter formation and spelling) are addressed in context. As children explore the role of the author, they create short stories and poems for the class anthology. The workshop will end with a culminating event: all publish anthologies; perform short plays or do readings.

Science & Nature Discovery Program

3 - 6 years old
age cut off: 1 April 2011

(5 weeks excluding Holy Week)

April 7 to May 13

Thursdays and Fridays

10:30 - 11:30 am

Fee: P 4,200.00

The Science and Nature Discovery Program enhances children's understanding and respect for the natural world and teaches the initial skills of scientific inquiry. The children will engage in nature trips and experiments, explore scientific tools and educational materials for hands-on investigation. These experiences will seek to hone their thinking skills and heighten their awareness and love for the environment.

ClipartOf.com/29988

Kids will learn their ABC's and 123's through fun multi-sensorial and active experiences. They will see, hear, feel, smell, taste, dance, sing and chant, play with paint, build and write numbers and letters all summer long! This program is recommended for children who are just starting to recognize numbers and letters.

Eager Reader

Age cut off: 1 April 2011

3 - 6 years old

(5 weeks excluding Holy Week)

April 7 to May 13

Thursdays and Fridays

1:00 – 3:00 pm

Fee: P 6,000.00

Our reading program will not only equip your children with the skills they need to read. It will also help develop a positive attitude towards reading and writing. Through shared and individual reading opportunities and games, children develop skills in phonics, syntax, the use of context clues when reading and comprehension. It's a fun and effective alternative to boring drill – based programs that your children will love.

Yoga for Kids

3 - 6 years old

age cut off: 1 April 2011

(5 weeks excluding Holy Week)

April 7 to May 13

Thursdays and Fridays

8:00 – 8:40 am Fee: P 4,500.00

Yoga for kids is a fun, multi-sensory class where participants will explore and expand their range of movement in the spirit of yoga play. Beyond a physical activity that develops strength, coordination and flexibility, yoga improves communication skills as well. While practicing the poses, they will use various action words, the parts of their bodies and names of animals and objects. Visualization techniques expand one's creativity and imagination, and the use of position, empowering language in yoga likewise builds the participants' self esteem and confidence. The class will be taught by Teacher Celine Encarnacion, a certified yoga instructor.
